Florida Church of God Ministries Sponsors New Resource

Florida Church of God Ministries has sponsored a new easy to use resource for all Florida Church of God churches. This will be available to your church at no cost to you. Get free custom demographic reports for your area with Percept's new technology called FirstView. These reports contain a variety of data about your community including age, marital status, children, involvement, program preferences, concerns, and life satisfactions.

If you've used Percept in the past, you will find that the new reports increase your area option by adding County boundaries and a pre-selected radius boundary around your church, and customizing the area boundary you want. This is a fantastic resource from the leader in the industry. Please use the link below to get started with your demographic reports!

All of the Florida Church of God churches will be receiving a postcard about Percept, but you can go to the link and register and begin using now.

For more information and to register, go to <http://www.link2lead.com>

Marriage Retreat Scholarships Available

Quite often, couples in ministry become so involved in giving to others that their personal lives and marriages are neglected. Galatians 6:6 retreats, sponsored by Intimate Life Ministries ([Galatians 6:6 Retreats](#)) and Church of God Ministries, are designed to give back to clergy couples and provide them with a quality marriage enrichment experience. These excellent retreats are held at a very nice hotel and are intended to deepen the relationship between pastor and spouse. They also include great meals. This is a superb opportunity for a quality two day get away at no cost!

Florida Church of God Ministries has a limited number of scholarships available for the Galatians 6:6 retreat to be held May 2 & 3 in Orlando. The scholarship includes complimentary hotel room (May 2), great meals at a restaurant of your choice, and registration. If you and your spouse have not attended a Galatians 6:6 clergy couple retreat yet, then contact the Ministry Resource Center (fay@flcog.org or 407-737-7633).

Join us this week wherever you are as we pray for the following "churches of the week":

Florida Ministry Institute- next session will be May 23-24, 2008

Florida Church of God Ministries is excited to offer the new expanded Florida Ministry Institute. This has been a dream of ours for several years, and we are excited to see it become a reality. Our course selection has been expanded from 4 available sessions to 15 ministry related studies. They will be offered on a rotating schedule three more times per year (January, May, and September). Our new line-up of FMI courses is intended to provide more training opportunities for our credentials candidates, as well as our current ministers and laypersons. All courses are open to everyone so please share this information with your church! The fee is \$25.00 per 3 hours.

The Florida Ministerial Institute is sponsored by the Florida Credentials Committee to assist pastors, laity, and credential candidates in their quest to become better and more effective Christian leaders in the life of the local congregation. The FMI is available to anyone who wishes to participate in these learning opportunities afforded the Church of God in Florida. Mark the dates, the courses, and submit your registration for 2008 and come journey with other Florida church leaders as they commit themselves to a growing and learning ministry, striving to advance the mission of Jesus Christ.

Florida Church of God Ministries maintains a Ministry Resource Center in Orlando for the purpose of encouraging the use of resources and training those who will change the spiritual landscape of Florida. This happens as resources are implemented for the purpose of providing healthy Christian leaders and congregations in Florida. FMI is one of the resources designed for the purpose of assisting leaders in academic training and studies to enhance the ministry of evangelism and building up the Body of Christ. It is our desire to provide classes that will assist in our mission and maintain a registration fee that makes it financially reasonable for everyone to attend.
