Church of God to Celebrate Unity With Global Communion

We invite you to join with congregations from Africa, Asia, Australia, Europe, North and South America, for the first-ever global Communion service on Sunday, June 22, 2008, during the evening service (7:00-9:00 edt) of the North American Convention. Congregations from around the world will simultaneously break the bread and share the cup in a time of worship and celebration.

Church of God congregations are encouraged to host a Communion service for their members on the evening of June 22. Individuals and congregations can join the service in Anderson via the Internet. Efforts are underway to connect congregations from locations around the world with the service in Anderson through a streaming media simulcast over the web. Our goal is to have over 100,000 Church of God members participate in this time of worship.

Looking for Resources to Reach or Understand Muslims?

BRIDGES is helping Christians connect with Muslims. This 6-session DVD Small Group Study provides biblical teaching about Islam and what Muslims believe, opening the door for better understanding between the religions.

Since 9/11, the image of Muslims evokes fear and mistrust in Americans. Yet, Jesus teaches compassion and challenges his followers to love our neighbors as we love ourselves.

Georgia Church Producing Third Film: Fireproof

Makers of surprise 2006 hit, Facing the Giants, now tackle marriage.

Fireproof (FireprooftheMovie.com releasing fall 2008), the third film from Sherwood Pictures, makers of Facing the Giants, looks into Middle America to strike a universal nerve-this time not with football but marriage.

"Fireman Caleb Holt will run into a burning building to save someone he doesn't know, while he watches his own marriage burn to the ground," said Alex Kendrick, co-writer and director of Fireproof. "While this fire captain successfully wrangles an energetic bunch of wise-cracking firefighters, he's losing hope about saving his marriage."

"We have heard from tens of thousands of people who wrote to tell us how Flywheel and Facing the Giants affected their lives," Pastor Catt said. "Fireproof aims to positively affect marriages and relationships. I believe it will open some eyes and just might help save some failing marriages."
